

School-Home Letter

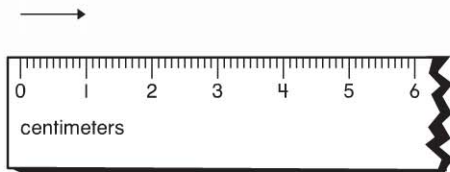

Dear Family,

My class started Chapter 9 this week. In this chapter, I will learn how to measure using centimeters and meters. I will also solve problems about adding and subtracting lengths.

Love, _____

Vocabulary

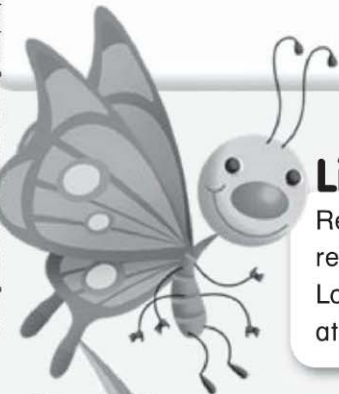

centimeter Unit of length

meter 100 centimeters

Home Activity

Show your child an object that is about ten centimeters long. Have your child choose three or four more objects and estimate each length as more than ten centimeters or less than ten centimeters. Use the object that is about ten centimeters long to check your child's estimates.

Literature

Reading math stories reinforces ideas. Look for these books at the library.
