

School-Home Letter

Dear Family,

My class started Chapter 5 this week. In this chapter, I will learn how to show addition.

Love, _____

Vocabulary

add to put together one set with another set

plus (+) a symbol that shows addition

$$\begin{array}{c} \text{plus} \\ \downarrow \\ 3 + 2 = 5 \end{array}$$

Home Activity

Invite your child to act out addition word problems. For example, your child can show you four socks, add two more socks, and then tell you the addition sentence.

$$4 + 2 = 6$$

Literature

Look for these books at the library. You and your child will enjoy counting and adding objects in these interactive books.
