

School-Home Letter

Dear Family,

My class started Chapter 9 this week. In this chapter, I will learn how to identify, name, and describe two-dimensional shapes.

Love, _____

Vocabulary

curve a line that is rounded

vertex the point where two sides of a two-dimensional shape meet

Home Activity

Spread out a group of household objects. Have your child point out the objects that look like circles, squares, and triangles.

Literature

Look for these books at the library. The pictures will capture your child's imagination.
